

# Invitation

to Baltic Sail Member Cities & Partners

## Baltic Singing and Dancing Day

4<sup>th</sup>-5<sup>th</sup> of August 2018

On the occasion of our 10<sup>th</sup> years jubilee we invite all member cities and partners to celebrate the days with us, through contributing with one or more cultural events in the days from 4<sup>th</sup> to 5<sup>th</sup> of August 2018. The events must be seen as a part of mutual cultural exchange now and in the years to come and must represent every single member city and region with typical regional contributions. It may for instance be acrobatics, dance, music, guardsmen/majorettes, national costumes and folk dance/music, shanty choirs, juvenile choirs, maritime craft, handicraft or the like. The entertaining events must be limited to about 30 minutes, but they may be repeated if necessary.

We offer to pay the costs for food and accommodation. Accommodation can be private, in schools or in gymnasiums. It depends on the number of participants. If possible joint breakfasts or breakfasts in groups will be arranged. The evening meal can be enjoyed on Nysted Harbour in one of our restaurants on the festival area, against handing over of a food coupon, which is handed out after arrival.

We request all our partners in the Baltic Sail co-operation to support this new initiative in order to create a new tradition in time under the Baltic Sail co-operation, this will be of benefit and delight for all the member cities and partners.

In Nysted we have come far with the planning of the jubilee arrangement. The festival period stretches over 4,5 days in total and ends on Wednesday the 8<sup>th</sup> of August with the hajkutter regatta to Rostock. This regatta is official prolog to Hanse Sail 9<sup>th</sup>-12<sup>th</sup> of August.

The time before the regatta is full of activities for the hajkutter crews and – not least for the audience. There is party mood, cheerful mood and the well-known Danish “hygge” (cosiness) and a wealth of musical events of professional, emotional, maritime quality. And we do absolutely not have any noisy and disturbing amusement parks to destroy the idyll. This year we expect about 10.000 visitors in the period.

Come and enjoy a maritime jubilee event together with hajutters, crews, the interested audience, colleagues and similarly disposed people, in the most beautiful scene of all: Nysted Harbour with Ålholm Castle, situated in Nysted Cove.

Yours faithfully
